

Seminar Programme

The ROYAL COLLEGE *of*
OPHTHALMOLOGISTS

Skills in Imaging, Diagnosis and Management of Retinal Diseases

Organised and Co-Chaired by Mr Pearse Keane,
Professor Heinrich Heimann and Professor Yit Yang

Thursday 6 & Friday 7 July 2017

The Royal College of General Practitioners
30 Euston Square, London, NW1 2FB

Programme – Day One

09.00 – 09.20 **Registration and Coffee**

Session One

09.20 – 09.25 **Welcome and Learning Objectives**

Mr Pearse Keane, Moorfields Eye Hospital, London,
Professor Heinrich Heimann, Royal Liverpool & Broadgreen University
Hospital
Professor Yit Yang, Wolverhampton & Midland Counties Eye Infirmary

09.25 – 10.00 **Introduction to Retinal Imaging**

Speaker – TBC

10.00 – 10.30 **Interpretation of OCT**

Mr Pearse Keane, Moorfields Eye Hospital, London

10.30 - 11.00 **OCT Angiography**

Mr Pearse Keane, Moorfields Eye Hospital, London

11.00 - 11.40 **Coffee and Trade Exhibition**

Session Two

11.40 – 11.55 **Practical Ultrasound skills**

Professor Heinrich Heimann, Royal Liverpool & Broadgreen University
Hospital

11.55 – 12.35 **Pigmented and Non – pigmented fundus lesions including Ocular
Lymphoma**

Speaker – TBC

12.35 – 13.10 **Retinal Telangiectasia, Coats Disease and its differentials**

Mr Pearse Keane, Moorfields Eye Hospital, London

13.10 - 14.00 **Lunch and Exhibition**

Session Three

- 14.00 – 14.35** **VMT, ERM and macular hole – imaging and management decision making**
Speaker – TBC
- 14.35 – 15.00** **Ocular Ischaemic syndrome**
Mr Pearse Keane, Moorfields Eye Hospital, London
- 15.00 – 15.35** **Choroidal Neovascularisation spectrum and differentials AMD, CSR and PCV**
Speaker – TBC
- 15.35 – 16.00** **Tea and Trade Exhibition**

Session Four

- 16.00 – 16.35** **Diagnostic tips in Posterior Segment Intraocular Inflammation**
Speaker – TBC
- 16.35 – 17.10** **Advanced OCT and multimodal imaging in white dot syndromes**
Mr Pearse Keane, Moorfields Eye Hospital, London

End of Day One

Programme – Day Two

- 08.40 – 09.00** **Coffee and Registration**

Session Five

- 09.00 – 09.35** **Capturing images of the Ocular Fundus- skills and tips**
Speaker – TBC
- 09.35 – 10.05** **Toxic maculopathies**
Speaker – TBC
- 10.05 – 10.25** **Crystalline Retinopathies**
Mr Pearse Keane, Moorfields Eye Hospital, London
- 10.25 – 11.00** **Inherited macular and retinal conditions**
Speaker – TBC
- 11.00 – 11.30** **Coffee and Trade Exhibition**

Session Six

- 11.30 – 12.05** **Mactel**
Speaker – TBC
- 12.05 – 12.40** **Electrodiagnostic testing – hands on approach**
Speaker – TBC
- 12.40 – 13.05** **Unexplained Visual Loss – which imaging method, what to look for**
Speaker – TBC
- 13.05 – 14.00** **Lunch and Trade exhibition**

Session Seven

- 14.00 – 14.30** **Imaging of the macula and retina in diabetes**
Speaker – TBC
- 14.30 – 15.05** **Survival skills and decision making in diabetic retinopathy clinic**
Speaker – TBC
- 15.05 – 15.35** **DMO and PDR – the latest evidence base**
Speaker – TBC
- 15.35 – 16.00** **Tea and Coffee Break**

Session Eight

- 16.00 – 16.40** **Case presentations**
Speakers – TBC
- 16.40 – 16.50** **Closing remarks**
- 16.50 – 17.00** **Feedback questionnaire**
